NOTE: Principles of New Thought is required after completing Orientation. It is offered continuously throughout the year and may not align with dates of the other Hillside Truth Classes.

The Power Is Within You

Louise L. Hay expands the philosophies of loving the self through learning to listen and trust the inner voice; loving the child within; letting our true feelings out; the responsibility of parenting; releasing our fears about getting older; allowing ourselves to receive prosperity; expressing our creativity; accepting change as a natural part of life; creating a world that is ecologically sound; where it's safe to love each other; and much more. She closes the book with a chapter devoted to meditations for personal and planetary healing.

Sundays, June 24 – August 12, 2018; 12:00 – 1:30 p.m.

MASTER CLASS

A Course in Miracles (ongoing)

Prerequisites: *The Principles of New Thought and Lessons in Truth*

This course teaches that the way to universal love and peace—or remembering God—is undoing guilt through forgiving others. The course focuses on healing relationships and making them holy. The lessons intend to serve as road maps for individuals interested in re-training or transforming their minds to find inner peace. It helps us to recognize that we can choose how we perceive ourselves and the world about us. “Nothing real can be threatened. Nothing unreal exists. Herein lies the peace of God.”

Saturdays, June 23, 2018; 9:00 a.m. – 10:30 a.m.
